Limited Wait Times  
for Appointments

Alternative Appointments  
for Patients Traveling  
Out of Town

Focused Effort  
on Accommodating  
Your Schedule

## PATIENT CENTERED

Medical Care Available  
After Hours, Weekends  
and Holidays  
Decreasing the Need  
for Urgent Care  
and ER Visits

Health Information  
and Results  
Available Online  
Through the Patient Portal

Medical Care Available  
for Out- of-Town  
Family and Friends

## FUNCTIONAL APPROACH

Proactive and Forward Thinking  
to Implement Preventive  
Measures and Better  
Predict Outcomes

Progressive Medicine Focusing  
on Preventing the Disease Rather  
Than Treating the Disease

Personalized Approach to  
Review Medical History,  
Genetics, Nutrition and  
Environment to be Specific  
with Health and Wellness Goals  
(i.e. Weight Loss, Decreasing  
Medication, Etc.)

Empower and Educate  
the Patient

Evolving Methods  
and Research
